ABOUT MARKETING WORDS, INC.

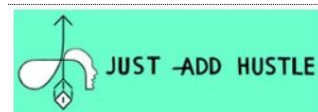

Founded in 1999 by Karon Thackston, Marketing Words, Inc. is a content and copywriting agency that provides done-for-you services as well as training others to create engaging messages that entice and envelope their audiences.

Through social media, email, contests and more; the reach of Marketing Words continues to grow. The result? Your sponsored post can get to an ever-growing audience of small, online business people who are in need of your products and services.

High engagement rates increase your ability to be seen before a group proven buyers.
